

BUILDING SUCCESSFUL PARTNERSHIPS

Investing Private Equity in Founder-Led Businesses

The Private IPO®

Our innovative deal structure gives more control and more incentive equity to founders.

The Private IPO® rewards owners that want to reinvest and grow their businesses.

85% Liquidity

Significant liquidity for shareholders – diversify net worth and/or cash out inactive shareholders

51% Control

Rollover shareholders retain board control subject to certain approval rights, liquidity right and protective right

50% Ownership

Earn up to 50% of common equity value – significantly more incentive equity than a traditional buyout

Flexible Capital

We provide creative and flexible capital – investing majority or minority equity in full recapitalizations or growth equity structures.
